6. Vendor/Grower Eligibility

Vendor/Grower shall be approved by FAMU Statewide Small Farmers Program and in compliance with state regulations.
7. Following items are eligible for sale:

Fresh fruits, vegetables, nuts, plants, honey, fresh eggs and baked goods. All non-produce items (art and or crafts) must be first approved by the Farmers' Market Board. Processed items must be inspected and approved by local County Health Department. Inspection Certificate must be displayed, conspicuously, in stall.
8. Signage

Each Vendor/Grower should have a sign that lists the following:

 - A. Name of Vendor/Grower
 - B. Description of products for sale
 - C. Be informative: signs should not overwhelm the display, but be at eye level so as to attract customer's attention.
 - D. Products sold by weight must have certified inspected scales approved by the Florida Department of Agriculture and Consumer Services Bureau of

Weights and Measures.

9. Cleanup Requirements

Each vendor/grower must be responsible for cleaning their assigned area. Any spillage must be cleaned up immediately. Any trash or refuse discarded or left on market premises, or rights of way is the responsibility of the individual vendor to remove from market premises. This includes trash or refuse discarded by vendor/grower or vendor/grower's customers. Violations of this policy shall be turned over to the SAFM board for appropriate corrective action and sanctions.

10. Compliance with the Cottage Food Advisory is not optional. Failure to comply with the State of Florida's Cottage Food Advisory will result in a Vendor's suspension.
